

REMARKS

The office action rejects claims 1-74 on the ground of nonstatutory obviousness-type double patenting as being unpatentable over claims 1-24 of U.S. Patent No. 7,113,383.

In response, the applicant submits herewith a terminal disclaimer over U.S. Patent No. 7,113,383 to moot those rejections.

In view of the foregoing, I now believe the application is in condition for allowance.
